HOLIDAY MEAL PROGRAM

WHO ARE WE?

For the last 52 years, Community Action of Greater Indianapolis, Inc. has been helping people help themselves. We have provided services in the areas of housing, energy assistance, health, financial literacy, family development and education. Our sincere desire is to help elderly, disabled and low-income families and individuals to become self-sufficient and rise above the confines of poverty.

You can help us meet our mission to "*empower those we serve to become self-sufficient and self-reliant*" by helping those who truly need it most.

Your gift of $25, $50, $100 or more will help make an immediate impact for needy families. If you like, you can specify your gift to a particular county – Hamilton, Hendricks, Boone or Marion. Donations can be made via our website at www.cagi-in.org or send check to the address below.

With warm regards,

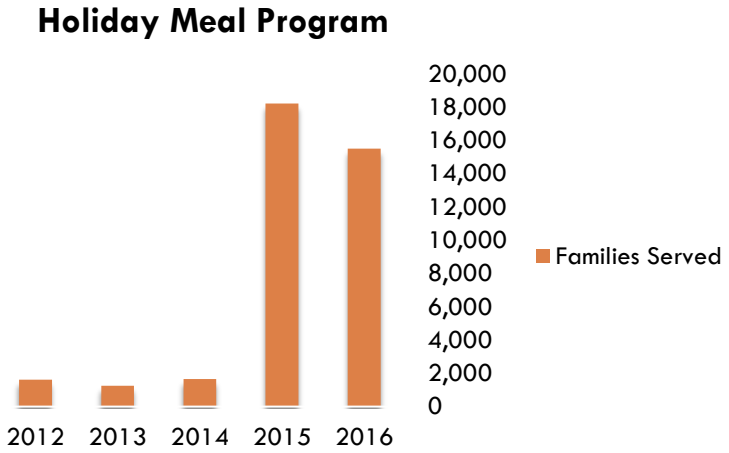
ABOUT THE PROGRAM

The holiday meal program provides needy families basic food items for a holiday family meal. Selected families receive canned and boxed goods, fresh fruit and vegetables, a variety of meats and bread.

CAGI's holiday meal program goal continues to serve families who face economic challenges of providing their families with a basic meal during the holidays. The program spiked in 2015 with the mobile food pantry that addressed food deserts. Although funding decreased the need increased.
THAT'S WHY YOUR HELP IS NEEDED!

Geographic Area Served: Marion (2008-2016); Hamilton, Hendricks And Boone Counties (2014-2016)



Thank You!
